Abrams. Hardback. Book Condition: new. BRAND NEW, Pantone: Colours, Pantone LLC, Pantone: Colours introduces children to the ten basic colours and twenty shades of each. Every spread features a colour heading, a monochromatic image and a variety of gridded shades and tints of the same colour. Younger children will enjoy naming the colours of the high-contrast recognisable objects. Slightly older children will peruse the shades to choose favourites; immersing themselves in the concept that one colour name actually refers to a variety of dark, light and in-between tones.
