Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Abortion Confidential is one woman s experience of delivering abortion and birth control services in an Ohio community bent on preventing such services. Like the canary in a coal mine, abortion rights in America are a focus of U.S. women s status in society as it fluctuates between that of chattel to full equality. The book can be read as a case study of social change, both from a societal perspective and from an individual woman s perspective. It is a study of anti-women discrimination and prejudicial behavior from not only a societal but also from a personal perspective. It also opens an insider s view of the character and upbringing that motivated the author s role in advancing social change and the motivation and tactics used by those who seem to prefer a mediaeval view of society. The daily struggle of dealing with employees, medical service providers, patients and abortion opponents who all seem to revel in making life difficult punctuates a story that includes actions on the national stage that defined abortion rights through the 1980s. This book personalizes the delivery of abortion services prior to the legalization of abortion, during its legalization, and then through all the attempts to thwart such services legally and illegally over a span of more than 20 years. It predicts the diminishing ability to provide legal abortions as the pendulum of change swings backwards all in the propagandistic terms of preserving the health of the woman. It is a truth that whatever happens to one person happens to many others in a society. While at least 20 of women have had abortions, few are willing to become a protective political...
