Volney, between the Christian and the Indian Preserver. As he has already, in the two introductory chapters, been sufficiently prepared to form a proper judgment on the subject of Creeshna, I have permitted the sportive young deity to continue acting his romantic exploits on the plains of Mathura; only throwing an occasional veil over the more licentious parts of the conduct of this Apollo Nomius of India, whose amours are certainly not less numerous than those of the Greek; of whom, in many respects, he appears to have been the studied exemplar. It cannot be denied, however, that, amidst all this licentiousness which the Brahmins, in fact, are anxious to explain away, as if the whole were a sublime allegory, resembling the Greek story of the loves of Cupid and Psyche, there often issue from the lips of Creeshna maxims and precepts worthy of a deity; while many of the apologues, occasionally introduced into it, impress the noblest lessons of piety and philanthropy.
