By Johnson, Robert

Ryton Publications, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service!

Summary: This new release is the first in a limited edition series of photo books published by legendary military artist Uwe Feist. The 2cm Flak gun was one of Germany's premier weapon systems used extensively throughout the war to combat both air and ground targets. Author Robert Johnson provides readers with an easy reading history of the gun's development and use in various configurations during the war. Includes pages taken from the wartime technical manual, providing a complete breakdown of both weapon and mounting system.
