Rational Spirituality Press, United Kingdom, 2010. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Together these three short books provide an easy, one-stop introduction to the sort of modern, spiritual approach to life now adopted by so many in our society, yet still largely ignored by the mainstream media. We start with THE LITTLE BOOK OF THE SOUL, which uses a storybook style to present a number of cases of near-death experience and past-life recall. Such as the Indian girl with memories of a past life, who astonished her former husband by reminding him how he had borrowed money from her just before she died. This truly fascinating evidence underpins a rational approach to spirituality, and is interspersed with helpful summaries and analysis. It uses the answers to build a simple theoretical framework that we can all use to make sense of our lives. It then lays out ten hugely important suggestions for how we can apply this understanding in practice, so we can help ourselves to get the most out of our time on this wonderful planet. The last book of the trilogy is THE FUTURE OF THE SOUL, which again uses a question-and-answer style to present some incredibly positive yet grounded messages from channeled sources about 2012. These include that everything is just as it should be; that so many souls are on earth now to take advantage of an incredible opportunity that has been known about, planned for and eagerly awaited for thousands of years; and that the attention...
