Excerpt: . except Gaspi, which I consider very well adapted for a settlement; there is a bay there that extends far back into the land, and forms a basin fit for ships to take shelter in. At the head of the bay the land seems very well adapted for a settlement. Besides there is very good cdd fishing in these parts. There are also three other fine harbours, ten or twelve leagues lower down, namely, PercSe Island, Bonaventure and Miscou, from all of which harbours ships go to fish for cod every year It would be a good place for a settlement, on the score of facility of communication with Quebec, access to which in small vessels is easy. There, to the right, is seen the Island of Anticosti, of which I shall not speak to you, not having been to it; only. I have...

Reviews

This publication may be really worth a go through, and a lot better than other. It really is writter in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
