Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Like the Israelites of old, mankind is prone to worship false gods, and persistently sets up the brazen image of a sham hero, as its idol. I should like to write the history of the world, if for no other reason than to assist several well-established heroes down from their pedestals. Great Charlemagne might come to earth s level, his patriarchal, flowing beard might drop from his face, and we might see him as he really was--a plucked and toothless old savage, with no more Christianity than Jacob, and with all of Jacob s greed. Richard of England, styled by hero-worshippers The Lion-hearted, might be re-christened The Wolf-hearted, and the famous Du Guesclin might seem to us a half-brutish vagabond. But Charles of Burgundy, dubbed by this prone world The Bold and The Rash, would take the greatest fall. Of him and his fair daughter I shall speak in this history. At the time of which I write Louis XI reigned over France, Edward IV ruled in England, and his sister, the beautiful Margaret of York, was the unhappy wife of this Charles the Rash, and stepmother to his gentle daughter Mary. Charles, though only a duke in name, reigned as a most potent and despotic king over the fair rich land of Burgundy. Frederick of Styria was head of the great house of Hapsburg, and Count Maximilian, my young friend and pupil, was his heir. Of the other rulers of Europe I need not speak, since they will not enter this narrative. They were all bad enough, --and may God have mercy on their souls.
