Pages Number: 200 Publisher: Southwest Jiaotong University Press. Pub. Date :2007-03. public management is the use of management, political science, economics, law, sociology The system of scientific disciplines, such as theories and methods, optimization of public resources, government and public organizations to achieve effective governance process. Modern public management research and education in the West was formed in the early 20th century. From the 1980s, China began to recover on public administration and public management research and education. The late 1990s launched graduate MPA (Master of Public Administration) project. At this time, more than 70 years later in Western countries. In 1924, the United States Syracuse University Maxwell School of Citizenship and Public Affairs MPA education of the first of its kind, public administration graduate education in Europe, North America, some developed countries, already has over half a century of history. Currently, MPA education has become in many countries to develop high-level, application-oriented public management personnel of the main ways. Master of Public Administration (MPA) degree, Master of Business Administration (MBA) degree and Master of Laws (JM) degree in the developed market economy countries, has become a high-level vocational graduate liberal arts education, the three pillars. For example, in the United States, the creation of MPA programs are more than 220 schools, Reading more than 30,000 students.
