

## Expedition to the Southwest: An 1845 Reconnaissance of Colorado, New Mexico, Texas and Oklahoma

Filesize: 1.46 MB

### ***Reviews***

*Good e-book and useful one. It typically does not expense an excessive amount of. I am just delighted to tell you that this is basically the finest book we have read during my very own existence and could be the best ebook for actually.*

*(Audra Hodkiewicz)*

## EXPEDITION TO THE SOUTHWEST: AN 1845 RECONNAISSANCE OF COLORADO, NEW MEXICO, TEXAS AND OKLAHOMA

University of Nebraska Press, United States, 1999. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Lieutenant James William Abert (1820-97) of the United States Army Topographical Engineers received orders in 1845 to explore the Canadian River region of the southern plains - an area covering present-day Colorado, New Mexico, Texas, and Oklahoma. Although this land was still in Mexican territory, the United States had gradually abandoned most of the diplomatic niceties regarding its boundaries with Mexico by that time. Abert set out from Bent's Fort to conduct a detailed reconnaissance. He possessed a great eye for detail, providing in his journal graphic descriptions of the birds, plants, and animals he encountered as well as clear depictions of the countryside. Moreover, Abert observed in great detail the Kiowas and Comanches who often approached his expedition to see if he and his men were the much hated Texans with whom they were at war. His firsthand account of the Kiowas and Comanches contains valuable information not previously available. The 1804 Lewis and Clark Expedition marked the beginning of Anglo-American exploration of the American West. Abert's account of his four-month journey by mule train is invaluable as one of the concluding records of that period. In his introduction John Miller Morris, author of the award-winning *El Llano Estacado: Exploration and Imagination on the High Plains of Texas and New Mexico, 1536-1860* , assesses this neglected work and places it with the reports of other adventurers such as Zebulon Pike and Stephen Long.
