Denton White, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Lady Susan Vernon is a widow who loves to manipulate and seduce men. Single, married, it s all the same to her. She has two goals--first to marry off her daughter to a man who has enough money to care for her, and second to marry someone even richer herself. The story unfolds in epistolary form, and is quite different from Jane Austen s other work. For example, Lady Susan is more than a match for any man she meets, she s not only beautiful and smart, but tends to seduce younger men--in Austen s novels, her heroines always go for older men. A very interesting change of pace, this novella was written before *Sense and Sensibility*.
