Reviews

It is an incredible ebook that we actually have ever study. This is certainly for all those who statte that there had not been a worthy of looking at. I am just pleased to inform you that this is the very best publication i have got go through during my individual daily life and can be he best ebook for possibly.

(Clarabelle Marvin)

NEMORENSIS

Orion Publishing Co. Hardback. Book Condition: new. BRAND NEW, Nemorensis, Simon Spurrier, Set in the world of bestselling computer game ELITE, and launched to tie in with the latest version, ELITE: DANGEROUS - a game almost 20 years in the making. One of three very distinct - but subtly linked - novels written by major authors who are fans of the game, this novel will be a must-buy not only the 25,000+ people who funded the new game on kickstarter, but also for all of those fans of the original game. Two lovers steal a spaceship and go on the run, attacking at random and revelling in the fame and glory their violence brings them. Celebrated by the jaded youth of the Federation and urged on to ever more flashy acts of destruction, they know it won't be long before they are caught and killed. But someone is following the couple. Someone who knows why they are so obsessed with each other. Who knows where they are heading. Who knows why. Someone who knows more about them than they do themselves. And has another plan for their deaths.
