Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Average income in the United States has been falling for years. The cost of living continues to rise. Americans of modest means are struggling to stay even financially. Very few are preparing for the even more difficult times ahead. In The Silver Solution, the author briefly explains the origin of the financial problems Americans face, how and why it will get worse in the near future, and the solution he successfully implemented the year his income dropped to the lowest it had been in over two decades. Even though the author s income has recovered to former levels, the author continues to execute The Silver Solution as a means of not only preserving meager assets in the troubled times ahead, but to also increase those assets. The detailed information and specific how to in this brief to-the-point book will enable anyone to immediately begin to make slow but steady strides at improvjng their financial future.
