Andrew s love and respect for our national pastime shine through from first pitch to final out. His extra innings are especially insightful and make for perfect post-scripts. Written with equal measures of passion, wit, and acerbic humor . Bloggin Baseball (from the bench) makes for an All-Star addition to anyone s reading list. - Marc Ernay, Morning Sports Anchor, New York City News Radio Station Andrew Wolfenson, author of the legal suspense novel In His Own Defense, returns to his sportswriting roots with Bloggin Baseball (from the bench) - a collection of his baseball-related blog posts spanning the years 2009 through 2013, all re-edited and featuring updated extra innings of commentary. In the book, Wolfenson addresses multiple topics and their relation to the National Pastime, including steroids and other performance enhancing substances, Jews in baseball, the issues surrounding homosexuals in the locker room, and, of course, the two New York teams, the Mets and his beloved Yankees.
