Brand New Book ***** Print on Demand *****.Excerpt from New Analytic Anatomy, Physiology and Hygiene: Human and Comparative; For Colleges, Academies and Families; With Questions The solicitation of my publishers, and the request of many teachers, have induced me to review and remodel my schoolbook on Outline Anatomy, Physiology and Hygiene, adapting it to the advanced position of teachers, schools and the community. My former work was published in 1849, and thoroughly revised in 1852. Several hundred thousand copies of the revised edition have been published. It has been translated and published in five different languages, by the missionaries in Asia and Europe. In general arrangement, the present Treatise is modeled after the former. The aim has been to improve the analysis; to bring the Chemistry and Histology to the present advanced state of these sciences; to make the Anatomy and Physiology concise and definite, the Hygiene plain and practical; to introduce some Comparative Anatomy; and to furnish illustrating cuts, both apposite and artistic. I am under great obligation to Joseph Leidy, M.D., of Philadelphia, who kindly permitted the use of his original illustrating cuts from his very valuable work upon Human Anatomy; also to the works of Marshall and Owen, and other scientific men, whose writings have been quoted and opinions adopted.
