HOW TO MAKE MONEY - REVISITED

Createspace, United States, 2012. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****. How to Make Money was originally published during the Roaring Twenties, yet contains timeless secrets of financial security, personal development and motivation that were sorely lacking by the end of that decade. The prescriptions of this text were prophetic medicine, foreshadowing the economic collapse of 1929, and the -Revisited version adds content designed to make it more relevant to the present day. Surely you believe in yourself, so close your eyes to those petty obstacles and work for your own future instead of to please your present...
