

Adventures in Blogville: A Creative Writing Guide for Teens

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.
(Prof. Loyce Runolfsson Jr.)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. Quinnzel (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. This book provides a lot of reasonable and sound creative writing advice that adults as well as teens would profit from, in writing on paper as well as online. In this age of electronic portfolios, I can really see this book being used as a textbook for young high-school students. -Judge, 23rd Annual Writer s Digest Self-Published Book Awards Today s teenagers have incredible, crazy, and brilliant things to say, and creative writing or blogging is an effective outlet for self-expression. Writers are inspired, validated and empowered by blogging because they ll feel their voices are being heard. This humorous and quirkily illustrated 24-chapter book teaches students how to write a compelling essay or blog post, one that other people will want to read. It is not a grammar book, but rather, an instructional guide to more colorful and visceral writing. Each chapter introduces a concept, engages the student with entertaining examples, and provides a writing prompt and assignment. Concepts covered include: How Blogging Can Make You a Better Writer, How to Create a Blog, Grabbing Your Reader from the Beginning, Using Detail to Appeal to the Senses, Active vs. Passive Voice, Metaphors and Similes, Using Dialog, Addressing Writer s Block and more! It s a great resource for homeschool educators. Adventures in Blogville covers some of the same concepts as Andrews previous book, Sticky Readers: How to Attract a Loyal Blog Audience by Writing More Better, but is aimed at a younger audience in its examples and family-friendly language. PRAISE FOR ADVENTURES IN BLOGVILLE. I wish there had been a book like this available for me when I was in high...
