Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Miranda had never known a world without pink towers or golden beads. She was easily multiplying and dividing six digit numbers before she even finished kindergarten. The Montessori world she had grown up in had always been wonderful, but this year was different. This was the year she would be going to middle school. A cute boy, embarrassing moments, a tragic accident, and learning to walk the path of her own heroic journey would make this a year that would change Miranda forever.
